

happy hat day!

Happy Hat Day will be celebrated on Wednesday 19th November as part of National Skin Cancer Action Week (16–23 November). It's a chance for everyone to think about sun protection by doing special SunSmart activities including decorating a sun hat. If this date is not suitable, you can run your Happy Hat Day event on a different day.

Early childhood services can purchase 'Happy Hat' kits from the Cancer Council as a fundraiser or a fun activity to encourage children to wear their own personalised sun protective hats.

'Happy Hats' are Cancer Council approved bucket hats that come with fabric paints and a paintbrush so children can design and create their own hat. They are packaged in a carry bag that can be used as a small beach bag or book bag.

The hats are white UPF 50+ fully washable, soft fabric with either pink or navy blue lining. They come in three sizes: 49cm (suitable for 1–2 yrs), 52cm (suitable for 2–5 yrs) and 55cm (suitable for 5–7 yrs). All are adjustable at the crown.

Happy Hats retail for \$24.95, but are available to Early Childhood services for \$19.95. You can either sell the happy hats at the discounted price or at the recommended retail price and use the \$5.00 difference as a fundraiser for your service.

Please visit www.cancervic.org.au/happyhatday for further information and promotional tips. Alternatively, complete the attached order form. The website includes:

- Order forms
- Tally sheet for orders (to send to the Cancer Council)
- Tips on how to promote the event
