

Cancer in the workplace: other support

A guide for managers and human resource professionals

Support is available from a wide range of organisations. Cancer Council offers a range of free support services for people with cancer and their family, friends and co-workers. There are also specific resources available for carers.

Support from Cancer Council	
Cancer Council Information and Support 13 11 20	This confidential telephone service is staffed by trained health professionals who can provide information about any aspect of cancer. Our 13 11 20 consultants can send you printed information, connect you with counselling and support services in your local area, and provide emotional support.
Your local Cancer Council website see next page for addresses	Provides evidence-based information about more than 30 types of cancer, as well as information about cancer treatment and side effects, living with cancer, prevention, research and advocacy. Information can be read online or downloaded as PDFs and often as ebooks. You can also find links to a range of support services for people affected by cancer.
Cancer Council Legal, Financial, Small Business and Workplace Referral Services 13 11 20	Program that can connect people affected by cancer with a legal, financial, small business or workplace professional. Advice is free for eligible clients. Available in most states and territories.
Cancer Council Online Community cancercouncil.com.au/OC	This moderated site hosts an online community for people affected by cancer, their families and carers. It is a safe place to connect with others and chat about treatment, specific cancer types, carers' issues, survivorship, and grief and loss.
Cancer Council's podcast series cancercouncil.com.au/podcasts	<i>The Thing About Cancer</i> , Cancer Council's podcast series, provides information and insights for anyone affected by cancer.
Support from other organisations	
Australian Human Rights Commission humanrights.gov.au 1300 656 419	Receives complaints about discrimination and bullying in the workplace, and promotes fairness.
Beyond Blue beyondblue.org.au 1300 22 4636	Offers online and phone support to people affected by anxiety and depression.
Cancer Australia canceraustralia.gov.au	Provides information about cancer control and care.

Cancer in the workplace: other support

Support from other organisations – continued

Carers Australia carersaustralia.com.au 1800 242 636	National body representing Australia's carers. Provides information, advice and short-term counselling about combining work and caring responsibilities.
