Do you need a short break to recharge?

Getting away from daily challenges and spending quality time with loved ones is a great way to relax and recharge. If you're affected by cancer, the financial strain that often comes with it can make it difficult to afford a holiday at a time when it's needed most. We can help.

The Holiday Break Program supports Victorians affected by cancer by providing a one-off short break away at no cost.

The program is open to individuals undergoing cancer treatment or who have completed treatment within 18 months.

Holidays are within Victoria to minimise travel time to your destination.

Interested in booking a holiday break?

Please call one of our cancer nurses on: **13 11 20**

To use an interpreter call **13 14 50** and ask to speak to Cancer Council Victoria.

9am – 5pm Monday to Friday

If you are eligible, they will provide you with a booking application form and discuss with you some of the available holiday destinations. Close family or carers may apply on behalf of the patient.
