Estimated date of completion: Estimated publication date:

Dietary Questionnaire for Epidemiological Studies Version 3.2 (DQES v3.2)

1. The use of DQES v3.2 covered by this MOU is limited to the study entitled:
 Study title:
2. Cancer Council Victoria is responsible for delivery via email of online links and IDs for participants.
3. The Institution is responsible for ensuring that online questionnaires are completed within a reasonable timeframe.
4. All aspects of the MOU are to be treated with the strictest confidentiality and must not be shared with any other third party.
5. The DQESv3.2 remains the property of Cancer Council Victoria. It must not be reproduced or copied in any way. The use of this Intellectual Property is for the sole purpose of the above-mentioned study.
6. With regards to publications arising from the use of DQES v3.2 for the above study:
 - (i) A PDF copy of the publication must be sent to ffq@cancervic.org.au
 - (ii) All publications must include the following acknowledgement:

The authors thank Professor Roger Milne of the Cancer Epidemiology Division, Cancer Council Victoria, for permission to use the Dietary Questionnaire for Epidemiological Studies (Version 3.2), Melbourne: Cancer Council Victoria, 1996

I have read the above terms and conditions and I agree to abide by them.
